

Dubai. Heart of the new world.

In today's world, Dubai is next-door to every international destination. With the world's most modern airports and smooth and streamlined air traffic that takes you to anywhere you want to go. While Dubai is well-connected to the rest of the world, the inland transportation is equally efficient and ultra modern. Metro rail, sophisticated road transport facilities and thoughtfully designed water navigation systems add to the ease and charm of Dubai.

Spanish Soccer Schools

Dubai Sports City Football Zone

The Zone was instituted to provide individuals and teams with accredited coaching and education programs. The Football Zone today plays a pivotal role in shaping a new generation of soccer stars through the training programs devised by two great Spanish Football stalwarts - Michel Salgado, Director, Football Zone and Inaki Beni, Manager, Football Zone.

Michel Salgado: A former Real Madrid player, Salgado also represented the Spanish national team, collecting more than 50 caps which include one World Cup and one European Championship. As the Director for the DSC Football Zone, he believes that soccer is the perfect medium to hone life skills.

Inaki Beni : Former head coach of Real Madrid for 8 years coaching U9, U11, U12, U 13 teams. UEFA Pro Coach with coaching experience in Korea, Japan, England, Italy, Scotland, Wales and USA. He is currently the Manager of Dubai Sports City Football Zone heading two comprehensive soccer training programs in UAE – Spanish Soccer Schools and Socratots.

Spanish Soccer Schools

Established in 2010, the programme aims at shaping new soccer stars by imparting superior Spanish soccer skills. Powered by the most modern facilities, experienced Spanish coaches and the latest training methods, it offers the best soccer training in the region for children up to the age of seventeen. The recipient of the Gold Award - Best Youth Development Project (2015), this programme currently trains more than 1200 students.

Spanish Soccer Kids

Designed for kids between the age of 4.5 to 6, the Spanish Soccer Kids programme is supported by a world-class Spanish coaching staff built on the core principles of Unity, Passion & Skill. This programme will help children learn the basics of football and gain unbeatable confidence and unmatched skills.

Socatots

Socatots is the world's first soccer specific physical play programme for children aged 1.5 to 4.5 years. It teaches basic ball skills, movement and co-ordination exercises in a fun and playful environment.
